

## Lullaby (Nickelback)

intro: **hm D A E 3x**

**hm D A E 3x | D D E E**

I know the feeling of finding yourself stuck out on the ledge  
And there ain't no healing from cutting yourself with a jagged edge  
I'm telling you that, it's never that bad  
And take it from someone who's been where you're at  
You're laid out on the floor and you're not sure  
You can take this anymore

**hm D A E 3x | D D E E | hm D A E**

So just give it one more try to a lullaby  
And turn this up on the radio  
If you can hear me now, I'm reaching out  
To let you know that you're not alone  
And if you can't tell; I'm scared as hell  
'Cause I can't get you on the telephone  
So just close your eyes (Close your eyes)  
Well honey here comes a lullaby  
Your very own lullaby

**hm D A E 3x | D D E E**

Please let me take you out of the darkness and into the light  
'Cause I have faith in you that you're gonna make it through another night  
Stop thinking about the easy way out  
There's no need to go and blow the candle out  
Because you're not done, you're far too young  
And the best is yet to come

Well everybody's hit the bottom and everybody's been forgotten  
Well everybody's tired of being alone  
And everybody's been abandoned and left a little empty handed  
So if you're out there barely hangin' on
